

# LET'S FALL IN LOVE AGAIN (JUST FOR THE HELL OF IT)

(Neil Murray)

A mad man's ragin' on a drunken binge  
He's been kicked out again  
The woman at home, she's lost the thrill  
She used to care now she's bored to kill  
Well he's a loser with a heart of gold  
She wants something that he can't own  
She'll have a go – one more fling  
He don't believe what's happening  
They were married and then divorced  
Hung their dirty washin' out in court

Let's fall in love again  
Just for the hell of it  
What's a little blood amongst friends  
Let's fall in love again

He goes around for polite conversation  
Over coffee they read the papers  
She looks at him – he feels a mug  
He has to tell her he won't give up  
Go on – kick me again  
I know ya run around with my best friend

She says, "You can come back with a four-leaf clover  
Can't you understand that it's all over  
I'm sick of being tied to the sink all day  
I wanna get my hair done and go and play"

They were divorced  
Hung their dirty washin' out in court  
The kids fell in the mess  
Read it – Sunday press

Let's fall in love again  
Just for the hell of it  
What's a little blood amongst friends  
Let's fall in love again

Just for the hell of it  
Just for the hell of it  
Why don't we fall in love again?
